## EDUCATION

2022 - 2026

VES INSTITUTE OF TECHNOLOGY

- Bachelor of Engineering

2022

SMT.CHM COLLEGE

- HSC
- Percentages: 74

2020

- SSC
- Percentages: 95

## SKILLS

- C /C++
- Python
- Web Development
- Teamwork
- Time Management
- Effective Communication
- Critical Thinking

## LANGUAGES

- English
- Marathi
- Hindi

## PROFILE

Highly motivated third-year Electronics and Telecommunication (EXTC) engineering student, passionate about exploring innovative technologies and problem-solving in the fields of electronics and communication systems. With hands-on experience in circuit design, simulation tools, and programming languages like C and Python, I aim to bridge theoretical knowledge with practical application. Eager to contribute to projects and internships that allow me to enhance my skills, I am continuously learning to stay updated with the latest advancements in telecommunications and electronics.

## WORK EXPERIENCE

### Prodigy Infotech

NOV.2022-DEC2022

Web Developer Intern

- Developed responsive web applications using HTML, CSS, and JavaScript, ensuring cross-browser compatibility and optimal performance.
- Assisted in optimizing website performance, reducing page load times and improving user experience.
- Gained experience in version control systems (Git) and contributed to code reviews.

### Octa-Net Servers Pvt.limited

Jan 2023-Feb-2023

Web development Intern

- Built and maintained dynamic websites using front-end technologies such as HTML5, CSS3, and Bootstrap for responsive design
- Worked closely with the design team to implement UI/UX enhancements and improve user interaction across multiple platforms
- Gained practical experience in deploying web applications and managing hosting environments

### Design Internship IITB Techfest

APR-24-PRESENT

Campus Ambassador

- Promoted IIT Bombay Techfest events and initiatives within the campus, increasing student engagement and participation.
- Enhanced event visibility through social media campaigns and peer-to-peer communication..

## COURSES

- 100Days of Code python Bootcamp
- Complete Web development
- Matlab and Simulink
- What is Artificial Intelligence
- UI-UX
- What is DSA
